The Colerain Township Board of Trustees and the Colerain Summer Events Committee will be holding the Colerain 4th of July Fireworks Spectacular on the grounds of the Township Government Complex on **Wednesday, July 3, 2019**. This year's event will feature area food trucks, musical entertainment, and fireworks. The fireworks are expected to draw a large crowd. In order to accommodate those attending the event, while maintaining the safest and best traffic flow, it is necessary to reroute Springdale Road and Yellowwood Drive traffic on July 3rd starting at 7:00 p.m.

We understand that some of the affected residents may have guests visiting their homes. We will make every effort for them to reach you. Road closing sites will be staffed with Colerain Police Officers who will allow access to your home from 7:00-9:00 p.m. Visitors may be asked the name or address of the house they are visiting. After 9:00 p.m. no vehicles will be permitted to leave the road closed area until the road is reopened by Colerain Police.

No vehicular traffic will be allowed in the road closed area after 9:00 p.m. until after the conclusion of the fireworks when all pedestrian traffic has cleared and Springdale Road is reopened by Colerain Police Department – NO EXCEPTIONS. Any vehicle within the closed road area between 9:00 p.m. and the reopening of the road after the conclusion of the fireworks **will be in violation of disregarding a traffic control device ORC §4511.12 and will be subject to a traffic violation carrying a \$130 fine.** Please make sure all of your guests are fully informed.
